

Help the YMCA help others

Pass It On – The theme for the Strong Kids campaign this year is “Pass It On”. As a child you don’t realize what impact positive role models have in your life. Now looking back, if it was not for the right people influencing our lives and encouraging us, we may have ended up with a completely different life. With the economy and ever changing circumstances there seems to be less we can depend on. It is in times like these that we have to ensure kids have a safe place to be and positive programs to attend. Kids need something they can count on and know it will be there when they need it.

We can ensure those role models and words of encouragement are there for kids today. Our involvement with the YMCA as members, board members and Strong Kids campaigners has given us the opportunity to see the difference the Y makes for the kids in our community. “Pass It On”, the theme for this year’s campaign, is fitting because we want to pass on the positive experiences to the next generation. Through supporting the Strong Kids campaign we can make that happen. The Strong Kids Campaign ensures the Y can continue to award scholarships for memberships and programs. It also supports programs such as the clubhouse and Goldberg Family Discovery Center which provides positive role models and a safe place for kids’ afterschool. Please join us by giving to the Strong Kids Campaign and help “Pass It On” to the kids in our community.

Our Need \$150,000

Scholarships - \$120,000

Our single biggest need. We believe that every child that wants to be a Y member can. The YMCA averages 50 requests for membership assistance each month. The YMCA of Grays Harbor awarded \$256,0000 in 2008.

Camp Scholarships - \$5,000

We want to ensure every child that wants to go to Camp Bishop is able to, regardless of ability to pay.

Program Scholarships - \$10,000

Program scholarships enable kids to enroll in a program even if they cannot afford the fee.

Youth Activity Nights - \$15,000

Teen Dances and Late Nights are still extremely popular and are held two times per month.
